

CURRICULUM VITÆ

About me

I am a very hard working and meticulous person; who pays great attention to detail. I am both highly motivated and work well under pressure. Recently, I have completed a three year BA(HONS) Graphic Design course, at Kingston University.

Achievements

- My work has been short listed for the 2007 Nationwide Mercury Prize, exhibited at the Hospital Gallery, London (17—21 April 2007)
- I have worked as part of a team chosen to design and produce the degree show catalogue for this year. This involved intense deadlines to allow for print time, the organisation of 70 students for a photoshoot, Art Directing the photoshoot and the design of the catalogue itself.
- My work has been displayed in the University Prospectus, including; Front and Back Cover, Foundation Studies and Illustration Degree.
- I received a placement at Dare Digital after winning a competition to produce a viral film to promote (Product) red.
- I led a project that raised over £350 for the Terrence Higgins Trust during International Aids Day 2004.
- Finished 5th in the 2004 National 4X Mountain Bike Series and 9th in the National Championships, Qualifying to compete at the UK round of the World Cup.

Education

2004—2007

Kingston University, London BA (Hons) Graphic Design

Employment History

August — September 2006

Wallpaper* Magazine

A 4 week placement at wallpaper* magazine

July 2005 — 2007:

Holiday work, Bar tender, The Venue Business & The Red Lion, Newent.

Working only in the Holidays, allows me full devotion to the course. During this time I'm responsible for the setting up of Outside Bars at events and Festivals. Also when working in the Pub I am responsible for the closing and setting up of the bar.

June 1998 — present

Geoff Davies Building Services.

Working for a numbers of years I have acquired many making skills that aren't available in Graphic Design. It is something that requires Initiative and Logic. It is also very physically demanding.
